PETITION UNDER 37 C.F.R. §1.182

Sir:

Applicants petition in accordance with M.P.E.P. §1893.01(e) and §605.04(c) that the Combined Declaration and Power of Attorney for Patent Application (Combined Declaration) submitted under 37 C.F.R. §1.497 for the subject application on or about March 28, 2006 be accepted. In the Combined Declaration as filed (copy enclosed), a name of an inventor indicated in the International Application is different from the corresponding name indicated in the Combined Declaration on account of an intervening marriage and change of name. The subject application is a National Stage submission of

International Application No. PCT/JP2004/071643 (PCT '643). When PCT '643 was filed on November 19, 2004, one of the present Applicants was listed with her maiden name of Minako Kurokawa. Prior to filing the subject National Stage application, Minako Kurokawa married and executed the instant Combined Declaration with her married name of Minako Nakasu.

As required, appended hereto is a Declaration attesting to the above facts and executed with both the married name (Minako Nakasu) and the maiden name (Minako Kurokawa) of the Applicant in issue. In particular, the Declaration recites that after the filing of PCT '643 and prior to the filing of the National Stage application, the Applicant married and signed with her married name of Minako Nakasu.

An Application Data Sheet has previously been filed under 37 C.F.R. §1.76 listing the Applicant with her married name of Minako Nakasu.

To complete the record, a check in the amount of \$400.00 is enclosed to cover the petition fee under 37 C.F.R. §1.17(f).

Wherefore, Applicants petition that the Combined Declaration be accepted.
